Electronic Health Data Reuse

Nathan Lea

The European Institute for Innovation through Health Data

Nathan Lea

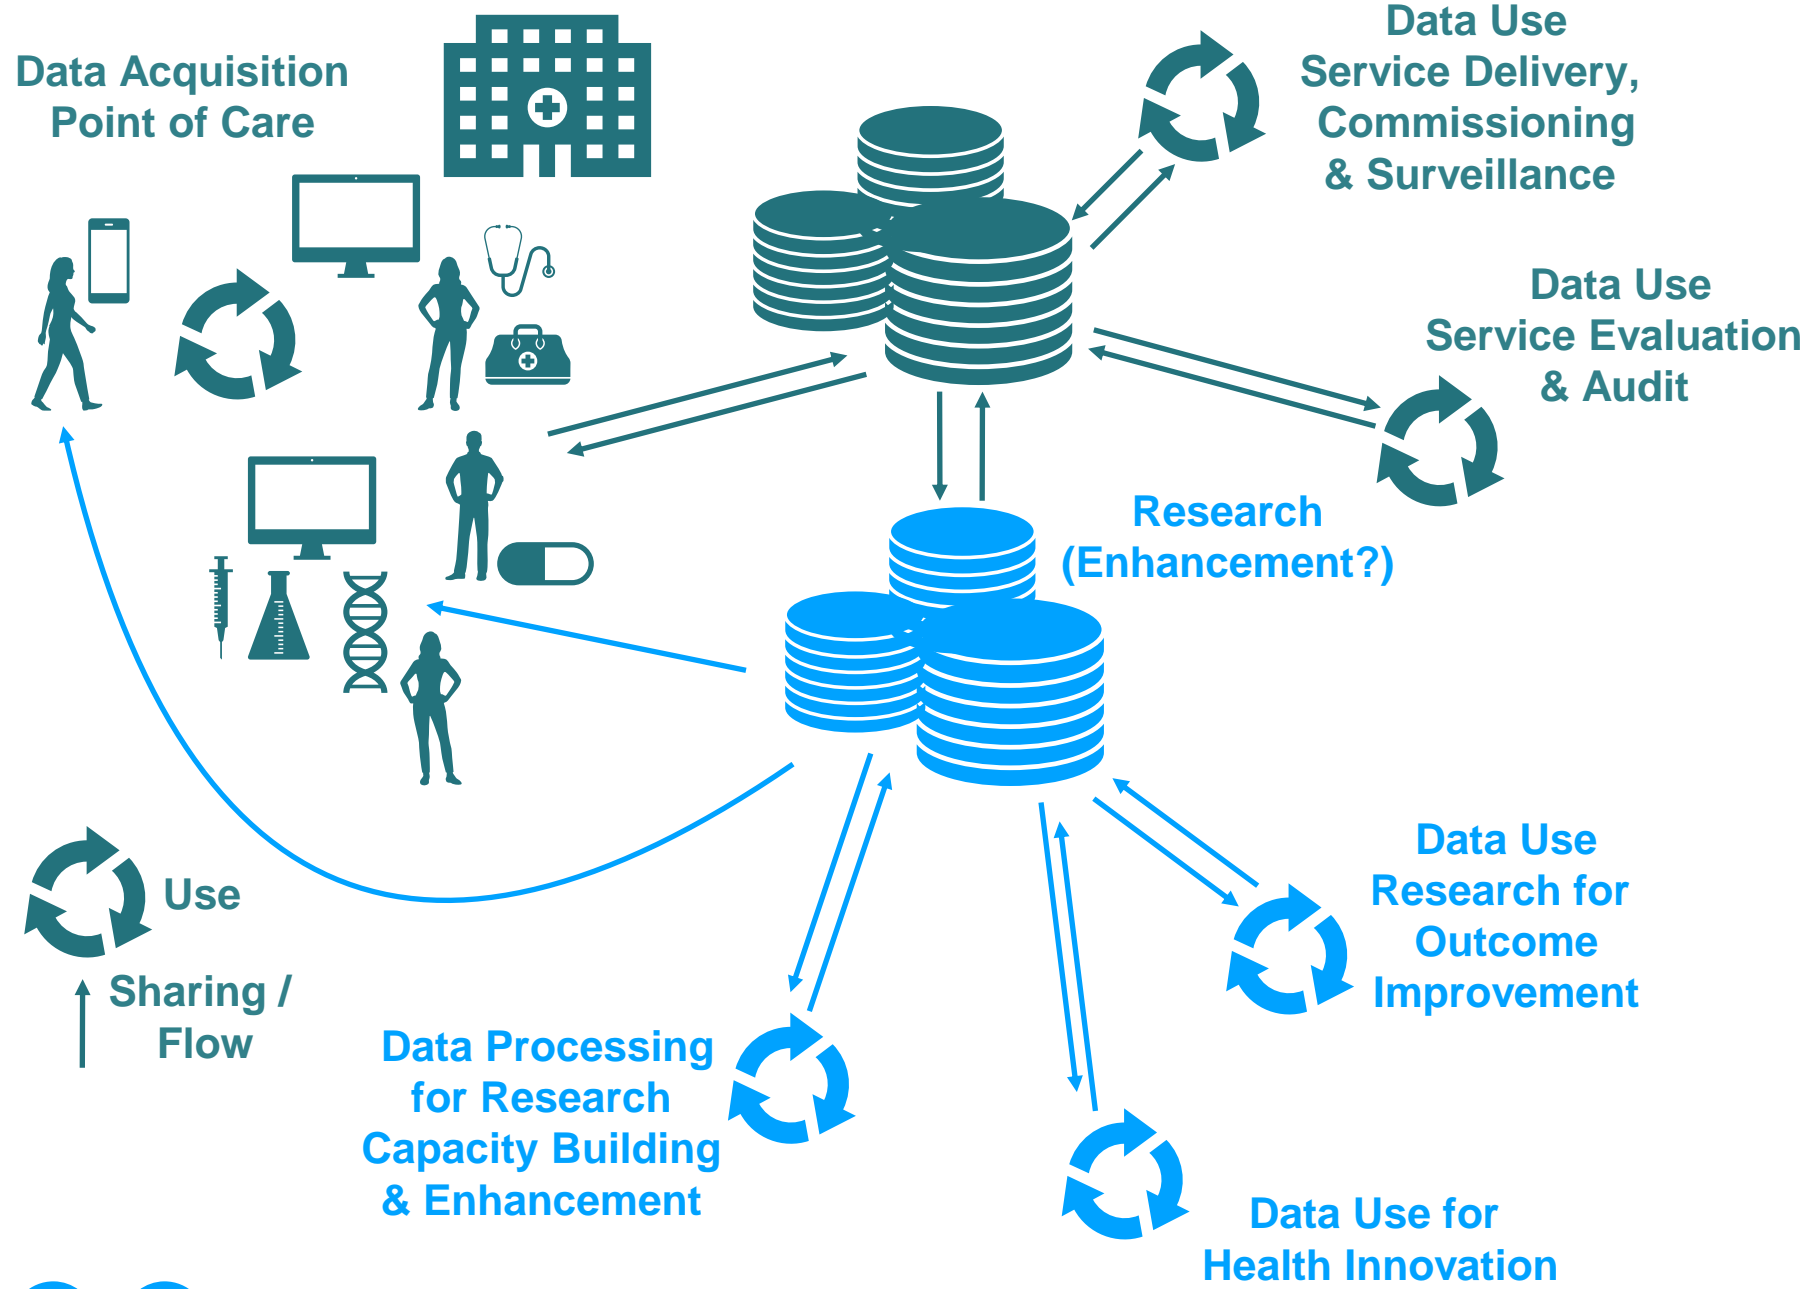

- Information Governance Lead, NIHR UCL / UCLH Biomedical Research Centre
- Data Protection Officer and GDPR Taskforce Lead, i~HD

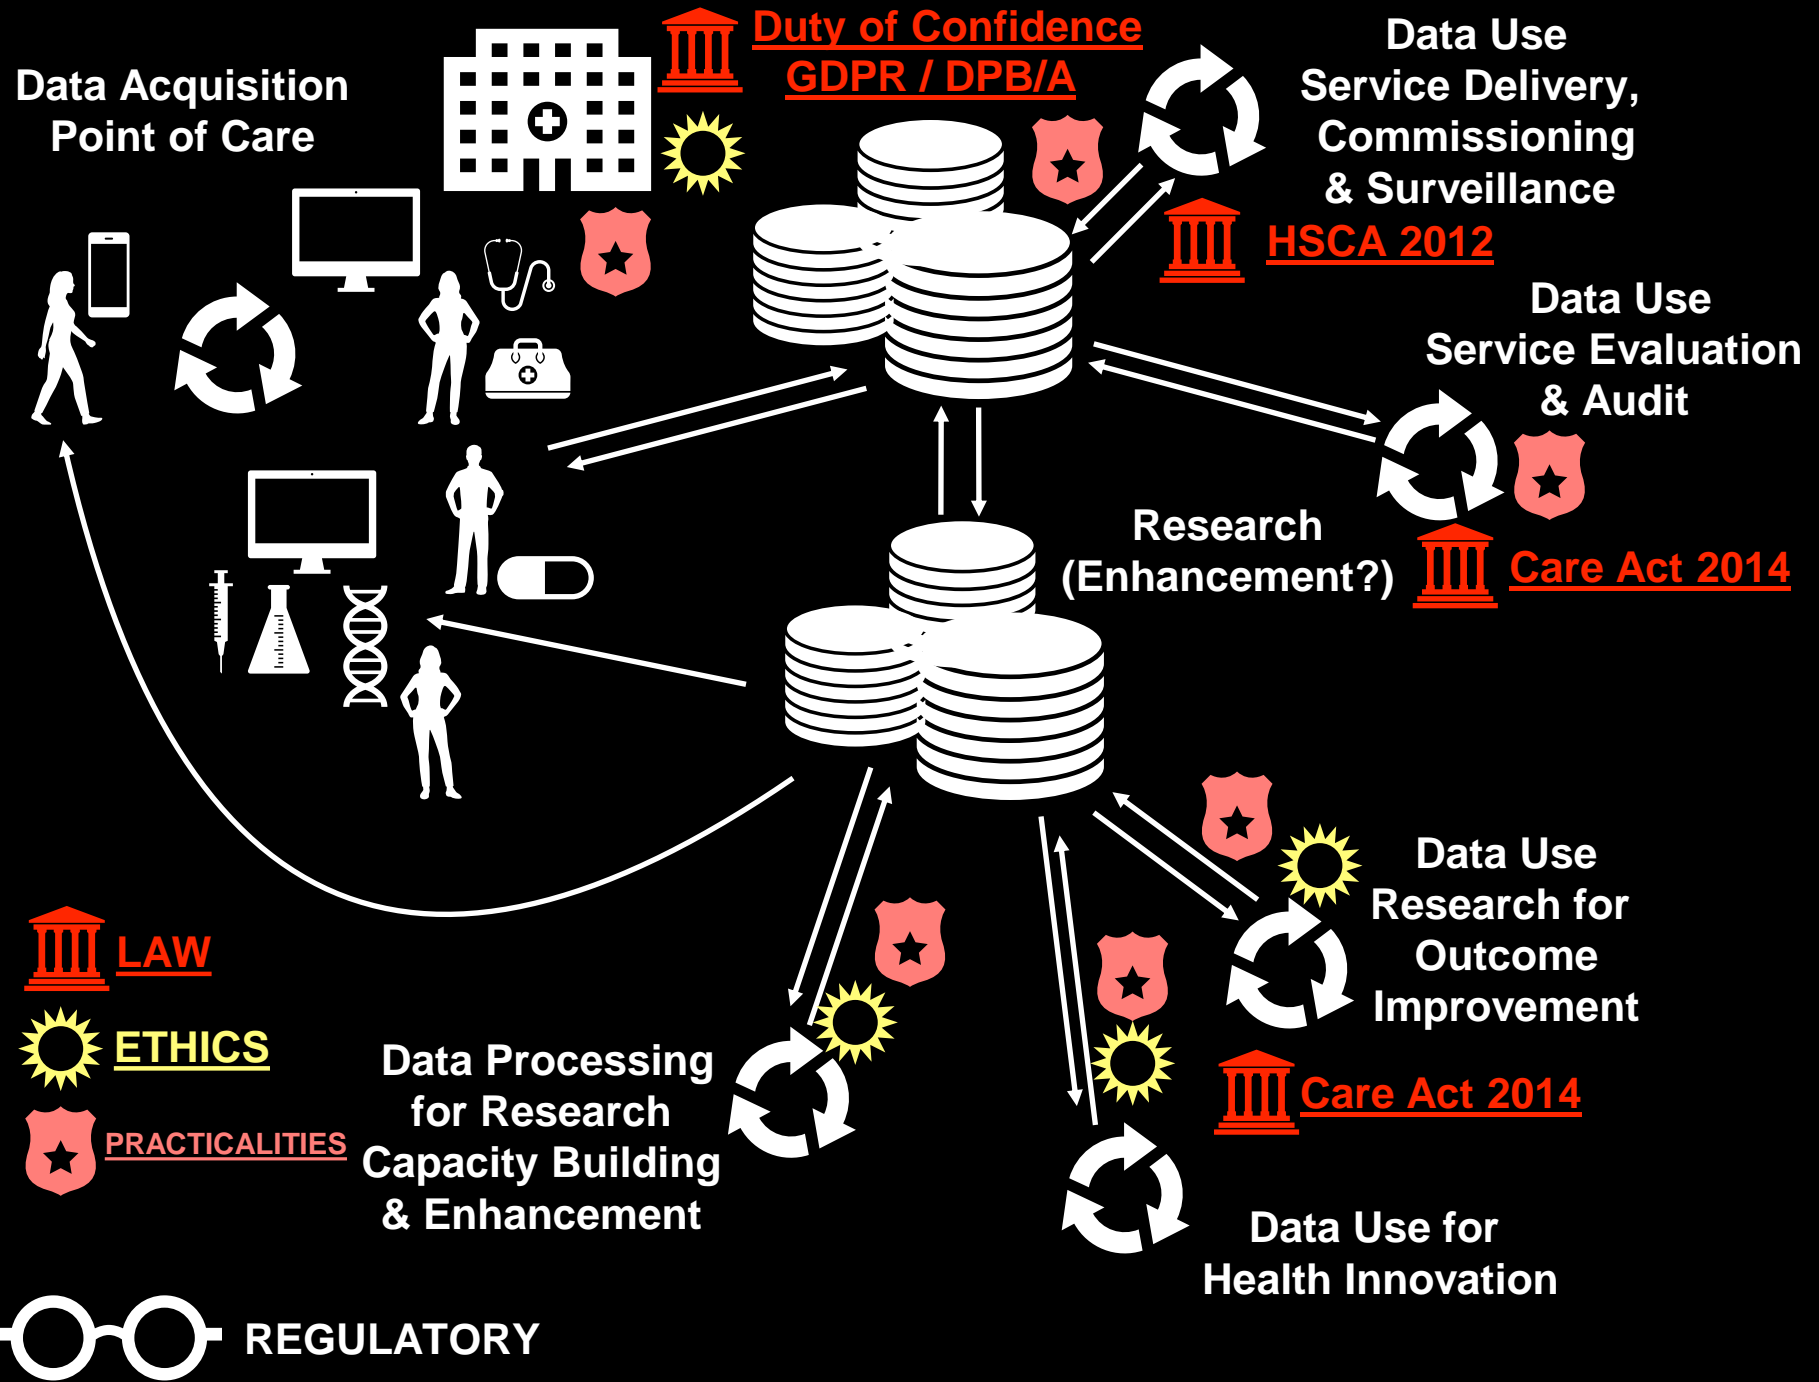

Context

- Huge changes to digital provision
- This is still inconsistent across health sector
- The promise of EHR driven is being realised
- We are still stifled by silos

 **LAW**

 **ETHICS**

 **PRACTICALITIES**

 **REGULATORY**

Silos - repeat offenders

Excuse: Technology
/ standards

- Rebuttal: open-mindedness

Excuse: "Regulation
forbids it"

- Rebuttal: "Regulation demands it"

Thank you!
